

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Moss Vale

report date 07 Mar 2018

Yarding Change $\frac{1020}{60}$

comparison date 28/02/2018

There was a slight increase in numbers today for a total yarding of 1,020 mixed quality cattle. Young weaners and secondary yearlings made up to 80% of the offering, there was a limited number of vealers and yearlings to suit the trade and 160 cows. All usual buyers were operating selling to variable trend, a reflection on this weeks' quality.

Prime vealers topped at 343c/kg. Light weight weaner steers to restockers sold from 280c to 337c and the heifer portion returning to the paddock sold to broad range from 258c to 318c/kg. Medium weight yearling steers to the trade were in limited supply and averaged 311c/kg. Heavier feeder steers were 8c dearer ranging from 230c to 314c/kg. Yearling heifers were cheaper across all categories due to the varying quality.

Grown steers were up to 11c cheaper selling from 195c to 255c/kg and there were not enough grown heifers to quote. Light weight D2 cows were 4c cheaper selling from 152c to 170c and heavier 3 and 4 score cows were between 6c to 13c dearer to top at 220c/kg. The best heavy weight bull reached 233c/kg.
