

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Moss Vale

report date 11 Jul 2018

Yarding Change <sup>985</sup><sub>3</sub>

comparison date 04/07/2018

There were similar numbers to last week for a total yarding of 985 cattle. Quality consisted of fair to plainer types. There were just over 100 cows, some good lines of vealers and yearlings to suit the trade. The bulk of the offering was comprised of young secondary cattle, most showing the effects of the season. The trade market was dearer, especially for cows, and there was a cheaper trend for restocker cattle.

Heavier vealers to suit butchers were firm to slightly dearer, with heavier heifers topping at 343c and steers making up to 334c/kg. Middle weight trade yearling steers were up to 8c dearer, selling from 261c to 259c and the heifer portion were up to 6c cheaper to average 288c/kg. Feeder steers were 4c dearer making from 260c to 305c and the heifers suitable for feeder orders were cheaper from 255c to 270c/kg. All restocker weaner steers were cheaper due to quality, receiving 150c to 281c/kg. Weaner heifers returning to the paddock sold between 33c and 42c/kg cheaper. Those weighing under 200kg averaged 214c and those between 200-280kg averaged 230c/kg.

Grown steers were dearer to average 268c/kg. Lighter and heavier D2 cows were up to 30c dearer making 150c to 206c and the heavier 3 score cows were 20c dearer topping at 240c/kg. The best heavy weight bull reached 238c/kg.
