

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Moss Vale

report date 09 Jan 2019

Yarding Change 321
0

comparison date 02/01/2019

The first sale for 2019 saw numbers decrease in comparison to the first sale last year, for a total yarding of 321 mixed quality cattle. There were some excellent bobby calves under 150kg making to 449c/kg, some good lines of vealers and yearlings and over 80 good quality cows. Most of the usual buyers were operating with some extra restocker interest, selling to a firm to slightly dearer market.

Calves under 150kg to processors made to 449c, and vealers weighing over 280kg topped at 327c/kg. Weaner steers to suit restockers sold from 245c to 311c, and weaner heifers returning to the paddock were slightly cheaper, quality related, making from 189c to 240c/kg. Middle weight yearling steers to the trade were firm topping at 320c, to average 287c and the yearling heifers to processors topped at 317c, averaging 256c/kg. There were no suitable feeder steers, while middle weight yearling heifers to suit feeder orders were firm to average 248c/kg.

There were not enough grown steers or heifers to quote. Lighter D2 cows were up to 6c dearer selling from 161c to 188c, and the heavier 3 score cows were also dearer to average 196c/kg. The best heavy weight bull made 240c/kg. Angus cows and calves sold for \$1,520/unit.
