comparison date 06/03/2019

With the chance of rain and last week's cheaper prices, numbers decreased for a total yarding of 1,160 head of fair to good quality cattle. There was excellent runs of trade yearlings and some well bred vealers, as well as 250 cows. All usual buyers were operating, with the addition of some extra competition from Victoria. The market sold to a mostly cheaper trend with the exception of yearlings suitable for the trade.

Lighter vealers to suit processors were cheaper, selling from 199c to 285c, while vealer steers over 280kg were firm, to average 272c/kg. C3 trade yearling steers were mostly dearer, selling from 203c to 325c/kg. The middle weight heifers to processors were dearer for those under 400kg, and much cheaper for those over 400kg. Feeder steers received mixed price trends, with the 330-400kg category 2c dearer, to average 242c, while the heavy weights were up to 8c cheaper, averaging 234c/kg. Limited demand from restockers experienced cheaper trends, with the weaner steers averaging 214c, and the heifer portion averaging 181c/kg.

There were not enough grown steers to get an accurate quote and grown heifers saw prices decrease by up to 32c/kg. Middle weight D2 cows eased by 12c, selling from 105c to 120c/kg. The heavy 3 score cows were 9c cheaper, making from 120c to 155c/kg. Heavy weight bulls also sold to a cheaper trend.
