

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Moss Vale

report date 29/05/2019

Yarding 1630  
 Change -10

comparison date 22/05/2019

Numbers remained similar to the previous week for a total yarding of 1640 predominantly good cattle. There was a limited supply of prime cattle to the trade, although the quality remained high, 240 cows and a large percentage of unfinished cattle which attracted keen interest from feedlot buyers. All usual buyers were operating, selling to a dearer market trend.

Prime vealer heifers lifted 13c, to average 280c/kg. Yearling steers to suit the trade were dearer, with those under 330kg reaching 368c and those over 400kg averaged 298c/kg. Middleweight yearling heifers to processors were significantly dearer, ranging from 260c to 331c/kg. There was strong demand for feeder cattle across all weight categories. 330-400kg steers averaged 290c and those over 400kg averaged 301c/kg. Feeder heifers also saw substantial price gains. Well bred weaner steers and heifers to restockers were also dearer.

Grown steers lifted by 10c, with the best heavyweight reaching 310c/kg. Mediumweight D2 cows sold to a dearer trend, making from 125c to 172c/kg. The best heavyweight cow made 225c/kg.
